DEDICATION

MRS. BETTY HUDSON

The 1982-83 Annual Staff dedicates this annual to Mrs. Betty Hudson. Mrs. Hudson has spent 4 years devoting herself to students in Related Math I and II, Algebra I and II, Geometry, and Trigonometry. She also sets up the Prom and does her best to make each and every year's Prom a little better than the one before it.

The Annual Staff thinks Mrs. Hudson's dedication to this school, the students and the Prom, deserves to be recognized.

SPECIAL EDUCATION

The self-contained special education class participates in many activities during the school year. In addition to active participation in Texas Special Olympics the class has many pre-vocational projects. Each year the students paint, decorate, and sell ceramic Christmas ornaments. This year the students went Christmas shopping for their families with the money they earned. They also supply a local wholesale florist with rolled newspapers to pack flowers in for shipment.

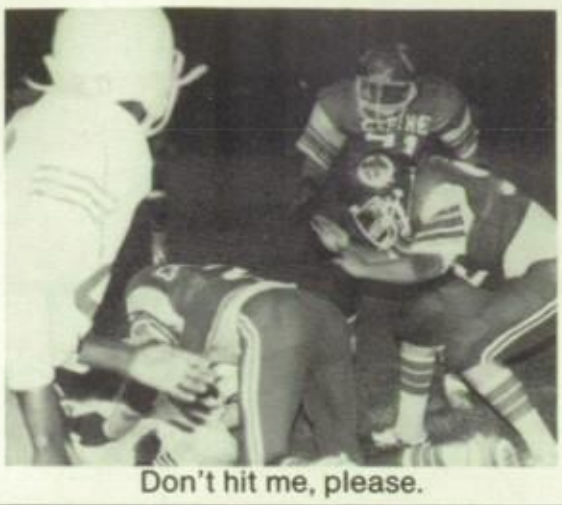
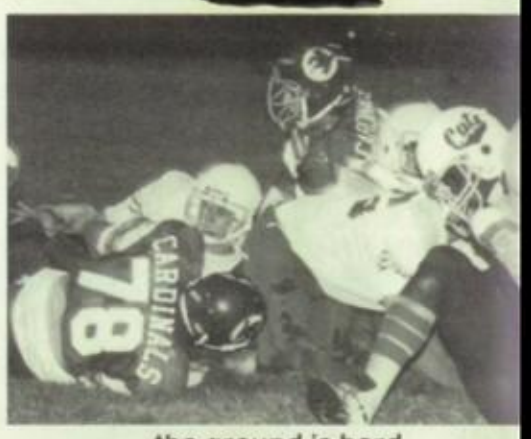
Explain that one again!!!



Don't hit me, please.

Where do I Go.



the ground is hard.

Doin' our stuff.

On the move.

It matters not if we may fail or if we should be beat. But what counts most of all is how, we weather our defeat, for often when the game is lost, the gain is greater still, if we can take it with a smile, we're bound to climb the hill, defeat is but a prelude to, another chance to try, each loss can be a step-pingstone, to places that are high, the loser who can learn a bit, and profit by his loss, then have the faith to try again, is bound to get across, and so it is we all must take, the bitter with the sweet, for what counts most of all is if, we're gallant in defeat!

CARDINAL BASKETBALL REGIONAL CHAMPIONS

The 1982-83 Sabine Cardinals represented the qualities of a true Champion as well as any group I have been associated with.

These athletes had a great desire to be a Champion. The desire to win and a desire to prepare to win are important ingredients to being a Champion.

Our athletes exemplified the philosophy of the Sabine High School Basketball Program in that they put their lives first and remembered that all their blessings and talents came from the Lord. They realized that their talents were God-given and they were humble. They knew that Fame was man-given and they were thankful, and they realized that conceit is self-given and they were careful.

We stress with our players that ability may get you to the top, but that it takes character and pride to keep you there. Pride is the strongest motivating force in the world and this group of young men had as much pride as any team I've ever seen.

Our team Motto "We will pay the Champions price" was adhered to by our team and this is the reason they became the Pride of East Texas and a *TRUE CHAMPION.*

LADY CARDINAL BASKETBALL BI-DISTRICT CHAMPS

The Lady Cardinal basketball team won their second District Championship in a row and also added their first ever Bi-District Championship trophy to the trophy case this year. The Lady Cards won their first four games in district play before losing a tough battle at Elysian Fields, but then bounced back to win nine in a row including a 60-48 victory over Elysian Fields in the second round. The Lady Cards record of 24-7 (13-1 in district) gave them their third straight 20 win season. Although the Lady Cards lost to Leonard in the Area Finals, they still experienced what no other Girls Basketball team at Sabine had — Winning a Bi-District Championship. Eight young ladies from the varsity return for next season and their goal will be to win the third straight district Championship and to go farther in the play-offs than any team before them.

IN MEMORY OF

JAN ALICE HUDSON

. . . TEACHER and FRIEND

Mrs. Hudson was a person who . . . expected students to strive for excellence, recognized special talents and encouraged their development, applauded the efforts of others to question, seek, and find answers, observed with keen insight the subtleties and wonders of nature, honored private dreams and problems brought to her for counsel, shared ideas, experiences, hopes, mercy, and helped point the way to justice and struggled valiantly for life.

. . . Death be not proud.
